Terms of Use

By submitting your documents to CIBT for pre-checking you will be consenting to the following statements in addition to the standard CIBT Terms of Use:

- To complete the Visa pre-check we will require a scan of the applicant's identity page(s) of the passport along with any residence visas to be included with the supporting documentation for the visa.
- CIBT will only check the documentation submitted together at the same time and it must include a CIBT Visa Pre-Check order form. You must submit all the required documents and forms that are listed in the CIBT Visa Application kit or are listed on the website.
- The CIBT Visa Pre-Check fee is non-refundable and charges will apply at the time your documents are received and a check has been completed.
- Additional fees will apply if a second check of your documents is needed after amendments have been made to the original documents that were submitted.
- We require users of CIBT Visa Pre-Check to submit approved paperwork within three business days. Orders submitted outside this timeframe cannot be assumed correct due to changes that could be imposed by embassies.
- Time zone differences must be considered when using CIBT Visa Pre-Check. Your state of residence and where you need to get your visa processed may affect the response time if it is outside of working hours.
